

Why should you invest in land?

A survey recently reported that land prices have 762% over the last 20 years.
The advantages of real estate investments are:--
Land is real.
Unlike shares land is tangible - it can be visited ,seen and walked on.
There is a limited supply of land.
it is easy to understand and seen as a solid investment .
Land is not open to accounting scandals and it is clear when property prices are going up (or down) and the reason for this movement.
it is a cheap way to invest in property
"The greatest Investment on earth is earth"
